Gacek Design Group Receives Houzz's 2013 'Best of Remodeling' Award

*Annual Survey and Analysis of 11 Million Monthly Users
Reveals Top-Rated U.S. Professionals*

New Hope, PA. January 21, 2013 – Gacek Design Group of New Hope, PA has been awarded “Best of Remodeling” 2013 by Houzz, the leading online platform for residential remodeling and design. The award winning architectural consulting and interior design firm was chosen by the more than 11 million monthly users that comprise the Houzz community.

The Houzz “Best of Remodeling” award for 2013 is given in two categories: *Customer Satisfaction* and *Design*. *Customer Satisfaction* award winners are based on homeowner members who rated their experience working with remodeling professionals in 12 categories ranging from architects and interior designers to contractors and other residential remodeling professionals. Design award winners’ work was the most popular among the community of 11 million monthly users, also known as “Houzzers”, who saved more than 124 million professional images of home interiors and exteriors to their personal ideabooks via the Houzz site, iPad/iPhone app and Android app.

Richard Gacek, owner and principal designer of Gacek Design Group states, “We are pleased with the accolade and complimented that our interior designs resonate with the Houzz community.”

“Houzz provides homeowners with an in-depth, 360-degree view of building, remodeling and design professionals through images of their work, reviews and an opportunity to interact with them directly,” said Liza Hausman, vice president. “We’re delighted to recognize Gacek Design Group among our “Best of” professionals for design as judged by our community of homeowners and design enthusiasts who are actively remodeling and decorating their homes.”
